The yearly registration covers your membership and insurance to our club and the state governing body. It is paid in January – and for multiple disciplines, it is only paid once.

(NB: If your child chooses to participate in more than one activity eg. Rhythmic and dance, or rhythmic and aerobics. Your fees will be slightly less, as an hourly rate will be used to calculate the fees and then charged to you as a monthly amount.)

(Please contact us should your child wish to expand their repertoire of activities).
